Objective

Enthusiastic 1st-year B.Tech Computer Science (AI&ML) student at K.R. Mangalam University with a keen interest in Blockchain Development. Eager to apply programming and blockchain skills through an internship while contributing to innovative projects and gaining practical industry experience.

Education

Bachelor of Technology (B.Tech), CSE (AI&ML) K.R. Mangalam University 1st Year	2025 – Present Gurugram, India
---	-----------------------------------

Higher Secondary Education (CBSE) SAM INTERNATIONAL SCHOOL	2025 New Delhi, India
--	--------------------------

Technical Skills

Languages Python, Move	Blockchain Ethereum, Solidity, Smart Contracts, Web3.js	Web Development HTML, CSS, JavaScript	Databases MySQL
Tools Git, GitHub, VS Code			

Achievements / Activities

Participated – SIH • APTOS-Blockchain Bootcamp • MindBenders 4.0 | **Volunteered** – HP OMEN Campus Quest | **Member of** – Tech TribeX

Projects

Blockademia.live

- Developed Blockademia.live an interactive gamified online learning platform leveraging blockchain technology for enhanced security and transparency .
- Integrated the Monad testnet to facilitate decentralized credential verification and transaction recording, improving user trust and data integrity .
- Implemented reward-based gamification strategies to boost learner engagement, retention, and completion rates on the platform .
- Designed smart contracts for issuing digital certificates and badges, ensuring tamper-proof recognition of user achievements .

Soft Skills

- Team Management & Leadership
- Communication & Collaboration
- Project Management
